## APPENDIX B

NAVIGATION PATHS TO PERSON-RELATED DATA ELEMENTS

### Appendix B

# Navigation Paths to Person-Related Data Elements

# Introduction to Appendix

This appendix provides the navigation paths to "person" data elements that are accessed via the taskflow buttons located at the bottom of the People, Enter and Maintain Window and the Request for Personnel Action (RPA) Window.

This appendix is organized according to how the data elements are grouped and accessed in the modern DCPDS. Navigation paths and specific steps for following the navigation paths and accessing the data are included.

#### Appendix Contents

This appendix lists the data elements found in the following information categories:

Information Category	Page
Assignment Extra Information	B-2
Element Entries	B-5
Person Special Information	B-12
Person Extra Information	B-32
RPA Extra Information	B-45

### **Assignment Extra Information**

#### Navigation Procedures

You can access the data elements listed in the following table through the People, Enter and Maintain Window or from the Request for Personnel Action (RPA) Window.

# From the People Window

To get to the data elements listed in the table below from the **People**, **Enter and Maintain** Window, follow this navigation path:

**★** People → Enter and Maintain → Assignment → Others → Extra Information

How to follow path:

- 1. From the Navigation List, Click People → Enter and Maintain.
- 2. Click the **Assignment** Taskflow Button at the bottom of the **People** Window.
- 3. Click the **<Others>** Taskflow Button.
- 4. A Navigation Options Window displays. Click Extra Information.

A list of Extra Assignment Information Types displays.

#### From the RPA

To get to the data elements listed in the table below through the Request for Personnel Action (RPA) Window, use the navigation path:

**★ RPA** → Others → Assignment Extra Information

How to follow path:

- 1. From the Navigation List, Click Request for Personnel Action, then the appropriate Nature of Action.
- 2. Click the **Others...** Taskflow Button at the bottom of the **Request for Personnel Action** Window.
- 3. A Navigation Options Window will display. Click Assignment Extra Information.

A list of Extra Assignment Information Types will display.

## Assignment Extra Information, Continued

#### Extra Assignment Information

From the navigation paths listed above, a list of Extra Assignment Information Types will display:

- Click the Extra Assignment Information Type that corresponds with the data elements you need to access (see table below), then
- Click in the *Details* data field at the bottom of the window.

The data elements listed in the right column of the table will display, based on the Extra Assignment Information Type selected.

#### **Element Entries**

#### Navigation Procedures

To get to the data elements listed in the table below, from the eople, Enter and Maintain Window follow the navigation path:

**★** People → Enter and Maintain → Assignment → Entries

How to follow path:

- 1. From the Navigation List, Click People  $\rightarrow$  Enter and Maintain.
- 2. Click the **<Assignment>** Taskflow Button.
- 3. Click the **Entries** Taskflow Button.
- 4. An Element Entries Window will display, with a list of Element Names for which the employee has entries:
  - Click the Element Name that corresponds with the data elements you need to access (see table below), then
  - Click the **Entry Values** Taskflow Button at the bottom of the **Element Entries** Window.

The data elements listed in the right column of the table will display, based on the Element Name selected.

### **Person Special Information**

#### Navigation Procedures

You can access the data elements listed in the following table through the People, Enter and Maintain Window or from the Request for Personnel Action (RPA) Window.

# From the People Window

To get to the data elements listed in the table below from the eople, Enter and Maintain Window, use the navigation path:

**★ People** → Enter and Maintain → Special Info

How to follow path:

- 1. From the Navigation List, Click People → Enter and Maintain.
- 2. Click the <Special Info> Taskflow Button at the bottom of the People Window.

A Special Information Window displays.

#### From the RPA

To get to the data elements listed in the table below through the Request for Personnel Action (RPA) Window, use the navigation path:

**★ RPA** → Person → Special Info

How to follow path:

- 1. From the Navigation List, Click Request for Personnel Action, then the appropriate Nature of Action.
- 2. Click the <Person> Taskflow Button at the bottom of the Request for Personnel Action Window.
- 3. The **People** Window will display. Click the **Special Info>** Taskflow Button at the bottom of the **People** Window.

A Special Information Window displays.

# Person Special Information

From the navigation paths listed above, a list of Special Information categories ("names") will display:

- 1. Click the Special Information category ("name") that corresponds with the data elements you need to access (see table below), then
- 2. Click in the *Details* data field at the bottom half of the window. This will run a query to retrieve any data in the system, in that category, for the employee, then
- 3. Click in the *Details* data field a second time. A window will display that includes all the data elements for that special information category (see table below).

### **Ferson Extra Information**

#### Navigation Procedures

You can access the data elements listed in the following table through the **People**. Enter and Maintain Window or from the **Request for Personnel Action (RPA)** Window.

# From the People Window

To get to the data elements listed in the table below from the People, Enter and Maintain Window, use the navigation path:

→ People → Enter and Maintain → Extra Information

How to follow path:

- 1. From the Navigation List, Click People → Enter and Maintain.
- 2. Click the **Extra Information** Taskflow Button at the bottom of the **People** Window.

A list of Extra Person Information Types will display.

#### From the RPA

To get to the data elements listed in the table below through the Request for Personnel Action (RPA) Window, use the navigation path:

**★ RPA** → Person → Extra Information

How to follow path:

- 1. From the Navigation List, Click Request for Personnel Action, then the appropriate Nature of Action.
- 2. Click the <Person> Taskflow Button at the bottom of the Request for Personnel Action Window.
- 3. The **People** Window displays. Click the **Extra Information** Taskflow Button at the bottom of the **People** Window.

A list of Extra Person Information Types will display.

**Note:** You can also access the Person Extra Information data fields by clicking the **Others** Taskflow Button at the bottom of the RPA, then click **Person Extra Information** from the **Navigation Options** Window that displays.

### Ferson Extra Information, Continued

# Extra Person Information

From the navigation paths listed above, a list of Extra Person Information Types will display:

- Click the Extra Person Information Type that corresponds with the data elements you need to access (see table below), then
- Click in the *Details* data field at the bottom of the window.

The data elements listed in the right column of the table will display, based on the Extra Person Information Type selected.

Appendix B: Navigation Paths to Person-Related Data Elements, Page B-44

#### **RPA Extra Information**

#### Navigation Procedures

You can access the data elements listed in the following tablomly through the Request for Personnel Action (RPA) Window.

Note: The <Extra Info> Taskflow Button located on the People, Enter and Maintain Window does Not access these RPA Extra Information data elements.

#### From the RPA

To get to the data elements listed in the table below through the Request for Personnel Action (RPA) Window, use the navigation path:

#### **★ RPA** → Extra Information

How to follow path:

- 1. From the Navigation List, Click Request for Personnel Action, then the appropriate Nature of Action.
- 2. Click the **Extra Information** Taskflow Button at the bottom of the **Request for Personnel Action** Window.

An Extra PA Request Information Window displays.

#### Extra PA Request Information

From the navigation path listed above, a list of Extra PA Request Information Types will display:

- 1. Click the Extra PA Request Information Type that corresponds with the data elements you need to access (see table below), then
- 2. Click in the *Details* data field at the bottom of the window.

The data elements listed in the right column of the table will display, based on the Extra PA Request Information Type selected.

Extra PA Request Info Type	Details (Data Elements)
